STRANDED IN PRAGUE

Kristina Satek, Bro. John R. Satek's daughter, (and granddaughter of Bro. John M. and Sis. MaryAnn Satek) has spent five months at the University of Central Lancashire (UCLAN) in Preston, Lancashire, United Kingdom. She has been able to make weekend trips to Edinburgh, Amsterdam, Copenhagen, Liverpool, and most recently, Prague, where, due to the eruption of the Icelandic Eyjafjallajökull Volcano, she was stranded for several days. Aunt Pat (*your editor*) commented in Kristina's blog that there were certainly worse places to be stranded! Kristina and her friend, Shoni, had a real task to try to find a way back to the University, taking a 14-hour coach ride to Paris, train to Calais, ferry to Dover (*saw the white cliffs at night*), city bus to London, coach to UCLAN. Kristina says, "our epic adventure cost WAY too much money, but the memories we made are absolutely priceless to me." During her extended stay in Prague, she visited Tyrsuv Dum, home of the Czech Sokol Organization, along with many other spectacular Prague sights. Here are some pictures of Kristina at Tyrsuv Dum:

SHAMROCK SHUFFLERS

Did you hear about Sis. Blanche Wostratzky's grandchildren? Randy Wostratzky and Sandi Voight were among the 25,000 runners in Chicago's Shamrock Shuffle, March 21. Both had great times in their divisions and finished the 8K run in near-freezing temperatures. Last year, Randy ran the race slogging through several inches of snow! Congratulations to both runners; grandma Blanche is very proud of you!

YOUTH AMBASSADOR

Sis. Baran reports that the First Class Girls were the sticker winner for March; Second Class Girls were second. Passport stickers for Special Number Competition will be distributed soon.
